 - Bioregistration based on HELM
 - HELM 2.0

Bioregistration based on HELM

Integrating ChemAxon technology into quattro software

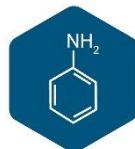

quattro/LJ

MarvinSketch

quattro/CM

JChem Cartridge

Customer example: mid-sized pharmaceutical company

- ⇒ Use quattro/CM (compound management) for 8 years now
 - Compounds
 - Cell lines
 - Biologics
- ⇒ Decided in 2016 to move away from the BIOVIA cartridge
- ⇒ quattro recommended ChemAxon's JChem cartridge and performed the transfer
- ⇒ Transfer took only 1 day and went very smoothly

Thank you very much for your attention!
